The bright and welcoming atmosphere is complemented by comfortable living accommodation, spacious bedrooms and beautifully established gardens. There is always a full calendar of fun and interesting events and social activities and we offer a wide range of delicious meals, ensuring that you really feel home from home at Buxton Lodge.

Outstanding Care

Our experienced and dedicated team are passionate about delivering exceptional care to our residents and their loved ones. We have created something special at Buxton Lodge, a space where people can thrive with personalised, dedicated care and support.

Buxton Lodge - your home from home

As well as providing excellent professional care, our entire team are dedicated to fostering a sense of home and of belonging. We take time to understand individual residents and explore how we can tailor our care to them. It's all about giving the confidence that we're providing the very best of care and delivering special resident experiences every day, making their day, every day.

Facilities

Residents love to spend time outdoors in our beautifully established gardens. When it comes to treats we offer a fully equipped hairdressing salon with a visiting hairdresser/barber and nail care service and for something more luxurious we have a complementary therapies facility.

Life is made more stimulating through our active resident group with a wide variety of interests and entertainment. Nutrition is very important to us, our menus are varied and all our food is freshly prepared.

Our rooms

We offer daily on-site laundry service, some ensuite facilities and regular visits from healthcare professionals as part of our expert person-centred care. Our goal is to make Buxton a wonderful place to live, a home from home.

Wellbeing

We offer an extensive 'Wellbeing' programme of activity, entertainment and events – our residents can get the most out of every day. With quizzes, discussions, music, exercise, gardening, garden parties and excursions, there is much to enjoy! We welcome visits from family, friends and the many members of our wider community – no need to book, just come on in, the kettle's always on.

Funding your care

We welcome both self-funding residents and those supported by the local authority. If you are a local authority funded resident and need to pay a top-up fee to cover our weekly fee, the local authority will be responsible for paying us the full cost of care while collecting the top-up directly from you.
