Life at Kettlewell House

Our residents' bright and spacious rooms, with their own WC and basin, ensure Kettlewell House is a comfortable home from home specialising in residential, dementia, nursing and respite care. Each suite provides more space than nursing home bedrooms, without compromising on the level of nursing care and support.

Experienced registered nurses and carers offer regularly reviewed person-centred care plans. Residents are encouraged to personalise their rooms with small pieces of their own furniture and treasured belongings, to make their rooms their own.

Outstanding Care

Our experienced and dedicated team are passionate about delivering exceptional care to our residents and their loved ones. We have created something special at Kettlewell House, a space where people can thrive with personalised, dedicated care and support.

Kettlewell House - your home from home

As well as providing excellent professional care, our entire team are dedicated to fostering a sense of home and of belonging. We take time to understand individual residents and explore how we can tailor our care to them. It's all about giving the confidence that we're providing the very best of care and delivering special resident experiences every day, making their day, every day.

Facilities

Kettlewell House has a host of spaces in which to relax, socialise and be creative. Daily life is thoughtfully designed to support the mind, body and soul of all our residents. Our communal lounges are quiet spaces which provide the perfect setting for pursuing hobbies and interests, or for sitting and chatting over tea.

Our separate dining room offers a variety of highly nutritious, home-cooked meals and the homes' caring team has created a family atmosphere, encouraging everyone to eat and celebrate special occasions together.

Our rooms

Our safe and secluded garden is somewhere for residents to relax, enjoy a spot of gardening and entertain friends and family. Our regular residents' meetings ensure everyone feels part of the day-to-day running of our home.

Wellbeing

We offer an extensive 'Wellbeing' programme of activity, entertainment and events – our residents can get the most out of every day. With quizzes, discussions, music, exercise, gardening, garden parties and excursions, there is much to enjoy. We welcome visits from family, friends and the many members of our wider community – no need to book, just come on in, the kettle's always on.

Funding your care

We welcome both self-funding residents and those supported by the local authority. If you are a local authority-funded resident and need to pay a top-up fee to cover our weekly fee, the local authority will be responsible for paying us the full cost of care while collecting the top-up directly from you.

Our Fees

Our fees will vary depending on needs and customer preferences which will be assessed prior to any offer of fees. We then determine the level of care needed to provide the very best possible care.

What's included?

- All care and support including a monthly review of care plans
- All meals, snacks and drinks freshly prepared every day by our chef
- Homemade cakes, and a variety of drinks
- Access to landscaped gardens
- Activities and lifestyle programme
- All utilities and other accommodation costs
- Housekeeping and laundry services
- WiFi internet access

What's next?

If you are interested in you or a loved one coming to join our community at Kettlewell House, please give us a call or email us. We would love to meet you and would be proud to show you around the house.
