About Kilburn

Our home is bright and modern, with rooms for communal activities or quiet pastimes and we like to make space for family members to come along and join in or share some private time. Our patio is popular on a sunny day and there are convenient raised planters for trying a bit of easy gardening. We want residents to enjoy every moment with us at Kilburn, whether this is indulging in their passions, learning a new hobby or enjoying the varied activities that we provide.

Outstanding Care

Our experienced and dedicated team are passionate about delivering exceptional care to our residents and their loved ones. We have created something special at Kilburn, a space where people can thrive with personalised, dedicated care and support.

Kilburn - your home from home

We take time to understand individual residents and explore how we can tailor our care to them. It's all about giving the confidence that we're providing the very best of care and delivering special resident experiences every day, making their day, every day.

We are committed to providing every opportunity for our residents to enjoy living their life to the fullest and our proud of our facilities available to residents. We have an on-site chef, laundry services, quiet areas, gardening facilities and even opportunities for some retail therapy!

All of our rooms are en-suite and we have an option of both single and shared rooms. We will always try to accommodate personal belongings and encourage you to make your room as personal as you would like with furniture, decoration or photographs from home.
