About Lostock Lodge

Lostock Lodge cares for clients with both residential and dementia needs in up to 32 ensuite rooms. Our staff are professionally qualified yet friendly and caring, a combination that ensures the highest standards of care for our residents. We pride ourselves on our friendly, homely atmosphere and we welcome visits from prospective clients. On a practical level we are of course equipped with all the facilities required to meet the needs of our residents.

Outstanding Care

Our experienced and dedicated team are passionate about delivering exceptional care to our residents and their loved ones. We have created something special at Lostock Lodge, a space where people can thrive with personalised, dedicated care and support.

Lostock Lodge - your home from home

As well as providing excellent professional care, our entire team are dedicated to fostering a sense of home and of belonging. We take time to understand individual residents and explore how we can tailor our care to them. It's all about giving the confidence that we're providing the very best of care and delivering special resident experiences every day, making their day, every day.

Facilities

The Lodge is tastefully furnished and the décor is designed to be uplifting and is divided into several themed areas including seaside, countryside and street scenes as well as a bistro area.

We have two dining rooms, three lounges including a conservatory, and a hair salon/ treatment room, while outdoors is an attractive patio area and a summer house where residents can safely enjoy fine weather.

Our rooms

Our activities entertain, stimulate and promote a sense of belonging and being part of a family. For those with dementia, suitable activities can be of great benefit: they can help the individual retain their faculties, preserve their sense of identity, and alleviate the stresses and boredom that can result from having dementia.

Wellbeing

We offer an extensive 'Wellbeing' programme of activity, entertainment and events – our residents can get the most out of every day. With quizzes, discussions, music, exercise, gardening, garden parties and excursions, there is much to enjoy! We welcome visits from family, friends and the many members of our wider community – no need to book, just come on in, the kettle's always on.

Funding your care

We welcome both self-funding residents and those supported by the local authority. If you are a local authority-funded resident and need to pay a top-up fee to cover our weekly fee, the local authority will be responsible for paying us the full cost of care while collecting the top-up directly from you.

Our Fees

Our fees will vary depending on needs and customer preferences which will be assessed prior to any offer of fees. We then determine the level of care needed to provide the very best possible care.

What's included?

- All care and support including a monthly review of care plans
- All meals, snacks and drinks freshly prepared every day by our chef
- Homemade cakes, and a variety of drinks
