About South Haven

South Haven is situated in a quiet residential area in Woolston near Woolston Station and just 2.2 miles from the centre of Southampton. Woolston benefits from a shopping centre, supermarket, local shops, community centre, two churches, two doctors' surgeries and buses run regularly to Southampton and surrounding areas. South Haven Lodge is well-known in the community for being a warm, friendly and happy place with beautiful grounds.

Outstanding Care

Our experienced and dedicated team are passionate about delivering exceptional care to our residents and their loved ones. We have created something special at South Haven, a space where people can thrive with personalised, dedicated care and support.

South Haven - your home from home

As well as providing excellent professional care, our entire team are dedicated to fostering a sense of home and of belonging. We take time to understand individual residents and explore how we can tailor our care to them. It's all about giving the confidence that we're providing the very best of care and delivering special resident experiences every day, making their day, every day.

Facilities

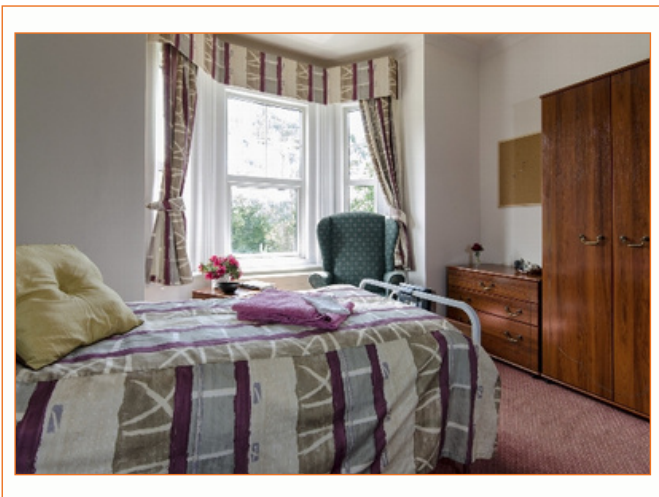

South Haven benefits from private secluded landscaped gardens which allow outdoor activities and socialising weather permitting as well as a stimulating hobby for those green fingered residents.

Our wide range of activities entertain, stimulate and promote a sense of belonging and being part of a family. For those with dementia, suitable activities can be of great benefit.

Our rooms

We also have a dedicated hair and beauty salon with visiting hairdresser, freshly cooked meals from a wide and varied menu and a daily on-site laundry service. Pets can be accommodated by arrangement and we can also arrange visits to chiropody, physiotherapy, optician, dental care facilities.

Wellbeing

We offer an extensive 'Wellbeing' programme of activity, entertainment and events – our residents can get the most out of every day. With quizzes, discussions, music, exercise, gardening, garden parties and excursions, there is much to enjoy! We welcome visits from family, friends and the many members of our wider community – no need to book, just come on in, the kettle's always on.

Funding your care

We welcome both self-funding residents and those supported by the local authority. If you are a local authority-funded resident and need to pay a top-up fee to cover our weekly fee, the local authority will be responsible for paying us the full cost of care while collecting the top-up directly from you.

Our Fees

Our fees will vary depending on needs and customer preferences which will be assessed prior to any offer of fees. We then determine the level of care needed to provide the very best possible care.
