Living at Hillcrest

“ The Staff & Management are excellent. Caring & respectful but allow my Mum to make her own choices. She has a lovely room with a view of Frodsham which is bright & always clean. She’s continually tells me how kind the staff are to her which is of great comfort to me as I know she is safe & well cared for. ”

“ My mum has recently moved into Hillcrest, and upon entering for the first time we immediately felt very welcome. It felt very homely and the staff seemed very professional and caring. We feel confident that mum will be taken great care of and know that we can ring anytime or email as we live quite a distance away. ”
