Living at Kenwood

“ My mother-in-law has been a resident in Kenwood for seven years. During that time she has been treated with the utmost respect, care and kindness. We are welcomed whatever time we visit. There is always a friendly happy atmosphere in the ‘home’.”

“ I would highly recommend Kenwood Care Home. The staff are second to none and provide an outstanding service. My father was a resident for just under a year and with the help and support he was able to recover...”
