Living at The Oaks

“ Mum is very happy at The Oaks Care Home. She has wonderful carers who have now become her friends. The nursing care that she receives is excellent. She enjoys her food and the reception staff are always friendly and welcoming.”

“ The food-absolutely delicious. You don't often expect that in a care home, but clearly, they do things properly here. It's a place that feels warm, well-run, and full of care in every sense of the word. I wouldn't hesitate to recommend it.”
