Living at The Red House

“The Red House is an excellent care home, and I am very satisfied with the care provided for my Aunt. The staff are very attentive and nothing is too much trouble.”

“My wife has been in residence since 2020 with early onset Alzheimer's. At every stage, as her needs have changed, the care and support both to her and her family has been exemplary”

Welcome to The Red House, a place where exceptional care and a true sense of belonging come together to create a warm and nurturing home.

We take the time to really know each resident, celebrating their individuality and understanding their personal stories, preferences and needs. This thoughtful, personalised approach allows us to provide care that is respectful, reassuring and tailored to each person.

Life at The Red House is shaped around comfort, connection and enjoyment. From engaging activities and delicious home-cooked meals to the simple pleasure of friendly conversation, every day is designed to bring happiness, purpose and peace of mind. Here, residents are supported to feel valued, secure and truly at home.

Getting started with The Red House

Wellbeing at The Red House

Life at The Red House is warm, social and full of meaningful activity. We offer daily engagement, seasonal events and plenty of opportunities for residents to stay active and connected. Our staff and residents take pride in our garden and shared spaces, creating a homely environment where everyone feels involved.

Funding for Your Care

We welcome both self-funding residents and those supported by the local authority. If you are funded by the local authority and a top-up fee is required to meet our weekly rate, the local authority will pay us the full cost of care and collect the top-up directly from you.

Care at The Red House

Our experienced, dedicated team are passionate about providing great care for residents and their families. The Red House is a place where people can truly thrive through personalised support, warmth and compassion.
